

Poosala Lokesh
Web Developer Intern
Belvo Company
Goregaon, Mumbai

Dear Poosala Lokesh,

It is my pleasure to recommend you for successfully completing a 3-month internship as a Web Developer at Belvo.

During the internship, Poosala Lokesh demonstrated a strong willingness to learn and actively participated in web development activities. Throughout the internship period, they gained practical exposure to website development, implementation, debugging, and improving web-based solutions.

Poosala Lokesh contributed to assigned projects and responsibilities while working with the development team. They showed dedication, adaptability, and a professional attitude while completing assigned tasks and meeting project requirements. Their ability to learn new concepts and apply technical knowledge in practical situations was appreciable.

During their internship, Poosala Lokesh developed experience in areas such as:

- Web development and website implementation
- Front-end development and responsive design
- Debugging and resolving technical issues
- Understanding project requirements and development workflows
- Testing and improving web pages and features
- Collaborating with team members on development tasks

Poosala Lokesh successfully completed the 3-month internship program at Belvo and demonstrated consistent commitment throughout the internship. We appreciate their contributions and wish them continued success in their academic and professional career.

I am pleased to recommend Poosala Lokesh for future opportunities in the field of Web Development and related areas.

 Hrishikesh Mishra
CEO, Belvo
